*Read the information posted in the TM/Copyright area. Virtually every college has registered its own name with the Trademark Clearinghouse and therefore has certain enforceable rights. You can use your site to voice opinions, but can not violate libel or slander laws. You can make money from your site, but the college may retain exclusive rights to sell the branded merchandise in their student supply stores or gift shops. (the same rules would apply if you were similarly violating their rights on any other website). **These domains will draw very high traffic** from school supporters.
